Creative Tools & Training for Development

Building Communities!

The objective

Any community we create is about reciprocity, giving and receiving so that we can belong and feel the support from each other. Use this layout chart to see what is important for you in the communities that you co-create.

Pause

Close your eyes and take a deep breath, imagine how you want to feel as port of the community, imagine yourself being surrounded by the other tribe members, how do you interact, what do you bring?

Expanding

Now we're ready. Let's go! Choose 3 cards, face up or face down, and place them on the chart. Answer each question in relation to the photo and text on each card.

Focus and action

Write down your main insights.
Also write down three actions that you will take in your commuity - one for today, one by the end of the week and one by the end of the

month.

Enjoy and Good luck:)
